

School District Goals

The Board of Education has adopted the following goals:

STRATEGIC PLAN GOAL 1: Student Success

Provide quality instruction and educational programming that meets the individual, academic, social, and emotional needs of each student.

STRATEGIC PLAN GOAL 2: Community Engagement

Increase the engagement and confidence of internal and external stakeholders via a coherent communications plan, strong partnerships, and transparency.

STRATEGIC PLAN GOAL 3: Safe & Positive Culture

Foster an environment that promotes a safe and positive culture that honors and exemplifies our District Core Values.

STRATEGIC PLAN GOAL 4: Quality Staff

Recruit and retain high quality staff.

STRATEGIC PLAN GOAL 5: Budget & Sustainable Funding

Submit a balanced budget to the Board that allows for and ensures full implementation of the District Strategic Plan.

Adopted: 1991

Revised: April 10, 2001

Revised: March 14, 2006

Revised: December 19, 2013

Revised: January 28, 2020

Note: Please refer to the District Strategic Plan Fall 2018-Spring 2023 located on the District 60 website.
