

## **Fiscal Accounting**

The superintendent or designee shall be responsible for receiving and properly accounting for all funds of the district.

All funds received and/or disbursed by any agency of the school system including any and all district transactions shall be accounted for carefully and accurately; shall conform with generally accepted principles of governmental accounting providing for the appropriate separation of accounts, funds and special moneys, and shall be done in a manner that is easily reviewed and lends itself to auditing.

When accounting for any enterprise funds the district shall use the full accrual basis of accounting.
