

Naming Facilities

The Board believes that naming or renaming a school, facility or other district property or any part of a school, facility or district property deserves thoughtful consideration. No school, facility or other district property or any part of a school, facility or other district property shall be named or renamed without formal Board approval.

Procedures shall be developed regarding the naming or renaming of facilities.

Adopted: November 24, 1987

Revised: November 24, 1992

Revised: October 28, 2014
