

Preparation for Postsecondary and Workforce Success (Implementation Plan for Student Individual Career and Academic Plans)

In accordance with state law and the timeline prescribed by applicable State Board of Education rules (Rules), the district shall create a plan for the development and implementation of student individual career and academic plans (ICAP).

At a minimum, the district's ICAP plan shall address:

1. How the district will ensure that all students, beginning in the sixth grade, have access to and assistance in the development of an ICAP.
2. The roles and responsibilities of the student, parents and district staff in creating and updating an ICAP for the student.
3. The activities that will be addressed at each grade level of a student's ICAP.
