

## State Program Assessments

The district shall participate in the state assessment program in accordance with state law.

The Colorado Department of Education is required to provide assessment results based on the state assessment results for the preceding school years. This information shall be included in each student's individual student record. Appropriate school personnel, including those who work directly with the student, shall have access to the student's statewide assessment results and shall explain that information to the student's parent/guardian.

Except for the college entrance exam, results of the assessment shall be included on each student's final report card for that school year and made part of the student's permanent academic record. Results of the college entrance exam shall be included on each student's transcript. However, if a student retakes the exam at a later time at the student's expense, the student may request that the student's highest exam results be placed on the transcript in place of the earlier results.
